

Hi Families,

Happy December!

Here is an update for you:

1. **Registration is closed and we have completed all Player Evaluations. We have approximately 800 basketball players (not including Niwot Youth Sports or Carbon Valley Recreation Center) and 70 cheerleaders.**
2. **We had our Coach Meeting on Sunday, November 27th and loved meeting all of our prospective coaches!**
3. **We are currently 70% done with making teams and practice schedules for 1st-6th Grade basketball. We have looked at each and every request. Usually we can accommodate the majority of them. If we cannot, here are the main reasons:**
 1. **Friend requests are in different divisions or at different practice locations.**
 2. **Honoring a friend request would either stack a team or give a team a major disadvantage (too many new players together).**

We will continue to keep you posted on the progress we are making!

Have a great week!

Rocky Mountain Youth Basketball and Cheer
