

## Happy New Year 3v3 Families

Hi Players and Families!

7th-8th Grade 3v3 Begins Sunday (1/8) and Monday (1/9)!

WHICH PRACTICE TO ATTEND?

The player list document linked below on this email reflects the evaluations we were able to make from our sessions on Saturday, December 18th + prior play in our league. While we are confident in the player divisions listed we will continue to evaluate through the first practice and beyond. **We ALWAYS reserve the right to move a player (and often do) if we believe they would be a better fit in an alternate division. Please use the key below to determine which practice your player should attend.**

ALL PRACTICES ARE AT:

ROCKY MOUNTAIN CHRISTIAN CHURCH IN FREDERICK.  
(5860 Majestic St. Frederick)

\* Division 1 - Practice are Mondays from 7- 8:30PM

\* Division 2 & 3 - Practice are Sundays from 1:30 - 3:00PM

\* If your player is labeled **D-1/2** it means we need to further evaluate and have not made a decision between the two divisions. In this circumstance a player is invited to both practices the first week so we can see them compete against the different levels. If a player can only make one practice that is not a problem, simply attend the one that works for you.

\* If your player is labeled **D-2/3** it means we need to further evaluate and have not made a decision between the two divisions. Since both division 2 & 3 practice at the same time we will be watching them compete against all the players practicing on Sunday.

\* If your player label says "**undetermined**" it means that either your player didn't attend our evaluations or we were not able to determine in the limited time during the evaluation. If this is you please attend the practice that #1. You played in last season and/or #2. where you believe your player is based on the past protocols provided below.

D-1: Players who have played on a club team that plays at Gold Crown, Power to Play, iHoops, etc. as your highest experience level.

D-2/3: Players who have NOT played on a club team but have played for their school, the rec center, or Upward as your experience level.

**Here's how you can help us.** Please read the link below carefully to see whether you should bring your player on Sunday or Monday this first week. Again, please understand that it is possible your practice day could change after further evaluation.
