**GAME DAY AND PRACTICE LOCATION:** 5860 Majestic Street, Frederick Campus

**GAME DAY:** Fridays from 4:30PM-9:00PM

### **PRACTICES:**

DIVISION I - Monday, 7:00-8:30PM

DIVISION II - Sunday, 1:15-2:45PM

DIVISION III - Sunday, 3:00-4:30PM

### **PRACTICE:**

\* Parents: Please remember that practice is where the kids work on the skills and concepts that help them improve. It is crucial to attend practice in order to get the entire experience from this league. 3v3 is a leadership academy as well as a basketball league and part of being a leader is being present. Your child's teammates are counting on him/her to be there. Making the commitment to be a part of a team is a big deal and a privilege. We certainly understand that sometimes things come up, but please do everything in your power to make sure whenever possible your kids are at games and practices. Thank you!

## **GAMES:**

\* Parents: We communicated with the players at practice about forfeit rules, but wanted to share with you as well. We DO NOT forfeit a game, if a team only has 2 or less players available it is their responsibility for find a "sub" player. This is only fair to the other teams on their schedule to make sure everyone gets their scheduled games played. Also, please know that a team can and should play with 3 players as opposed to picking up a 4th if a team member is missing. The reason for this is that any team picks up a SUB player automatically will get a loss in the standings (even though they still get to play). This is to protect the integrity of the competition.

## **THIS WEEKS PRACTICE FOCUS**

\* This week our focus in practice was on Spacing/Passing/Cutting. It was a joy to watch the players play last Friday but we are even more excited to see them implement these areas into games this week!

## **GAME DAY THINGS TO REMEMBER**

\* Parents: Please remember to refrain from trying to "coach" your players team. A big part of this experience is the kids being required to problem solve on their own without adults telling them what to do. Our goal is to build leaders and we want to give them the freedom to grow. However, our officials will give each team a few things to watch for in the second half and be advantageous if there is any type of major issue.

**\* Fans need to bring their own chairs and sit on the sidelines, not under baskets or near half-court.**

**\* Players need to bring their own water bottles.**

Thanks and we are excited for week 2 this Friday!

Go Rocky!
