MITCH COMSTEDT

Weddings/Premarital

We prepare for our career for nearly our entire life. But how much time do we actually spend preparing for the relationship we want to have for the rest of our lives? I have been a Pastor at Rocky since 2006 and married since 2002. I have a B.S. in Bible and Psychology, a Masters in Curriculum and Instruction, am a certified enneagram coach, and definitely seen my share of ups and downs in relationships. In premarital counseling we'll leverage the tool of the enneagram and the power of the Gospel to help create a foundation for your marriage.

SUSAN BROERMAN

Weddings/Premarital

In ministry, I always strive to enter into every situation with prayerful hope, having a confident expectation of something good to come because we serve a God of abundance. My own life has been filled with many beautiful gifts: I have been married 25 years to my incredible husband Andy, I have three college-age children that make my heart burst with pride, and I absolutely love my job in Groups Ministry at Rocky. I often say that I have the best job in the world because I get to hear so many stories of life-change through discipleship and community. On the weekends, I'm often exploring the mountains with my husband and my camera. Capturing the beauty of the world is very worshipful to me and how I recharge.

DANE VOORHEES

Weddings/Premarital

Dane has been on staff at Rocky since 2014. He's married to his amazing wife Shelby and they have a precious daughter named Tyler. Outside of Rocky, Dane loves watching football and is unfortunately a Broncos fan. He also loves doing just about anything you can do outside; from paddle boarding to skiing or just going and taking photos of a beautiful place.

LUKE HALL

Weddings/Premarital

Luke Hall is the Niwot worship pastor and has been on staff with Rocky since 2015. Luke grew up in Illinois and is sold out to all Chicago sports teams (except the White Sox). Luke and his wife Sydney have been married since 2017 and have a little boy named Leon, who may be the cutest kid to ever be born. Outside of Rocky, Luke loves to write music, cook, hang with his family, and pay way too much attention to fantasy football. In general, Luke is just a lover of life.
